

DOG WALKING FUNDRAISER!

Join Jennifer for her 5k dog walking fundraiser to raise funds for medical expenses related to her AVM illness. AVM is a rare condition that causes strokes, that paralyzed Jennifer for the first time at aged 6. Through physical therapy and sheer determination Jennifer has regained some functions. She needs your help to purchase a stationary electrical stimulation bike that will help stimulate her legs and stop the seizures that are part of her medical condition. Walk your dog anytime between now and May 20th for the 3.1 miles of the 5K fundraiser and register to support Jennifer at <https://helphopelive.org/campaign/20871/> Registration is \$20
